

Partnership agreement between Auga da Laxe and Viby Gymnasium

Aim of the partnership

The aim of the partnership is to work towards an exchange program, where each school, each year, sends 10 – 15 especially talented students (age app. 17 years old) on an exchange visit to the partner school for 4-5 days. Each group of students will be accompanied by two teachers from their school.

From Viby Gymnasium the student group will consist of 10 – 15 especially talented students of Spanish.

From Auga da Laxe the student group will consist of 10 – 15 especially talented students of English.

During their visit each student will be lodged privately with their “partner student”. The accompanying two teachers will be lodged privately or at a hotel.

Each school pays/funds its own travelling expenses and expenses for lodging of teachers (if not privately lodged)

Each school arranges a program for the visit at their school.

During the visit one of the visiting teachers will arrange and carry out a 4-6 lessons master class for a group of ten students who are to graduate the following summer. During the visit at Auga da Laxe this master class will be in the subject English and during the visit at Viby Gymnasium this master class will be in the subject Spanish.
